A message from the president,

To all our friends and neighbors:

Due to the spread of the coronavirus, we are all going through some very difficult times. One of my main goals when I became president in December 2017 was to bring our community together. This was accomplished through our meetings, special events and parties which everyone enjoyed.

Unfortunately, because of the severity of this virus we must stay socially distant. As your president, it is my responsibility to make this happen, in order to try my best to keep everyone healthy.

Therefore, all amenities of the clubhouse have been suspended including the gym, rec room and all ballroom functions (meetings) until further notice. Currently, all pools are functioning normally.

We are a strong community and we will get through this particularly rough time.

God bless us all,

Ben Verdi
