

## RECON PARKING MANAGEMENT

Dear Homeowners,

All vehicles parked in the Bermuda Club Community Association, on a permanent basis will be required to display a new parking permit as of April 10, 2018. Enclosed you will find a schedule of the dates and times you may pick up your permit at The Clubhouse.

To help you get prepared for the changing of permits, here is some **VERY IMPORTANT INFORMATION** of which you will want to take note. We are sending you this notification to give you time to obtain the items you may need in order to receive your new permits. Please do not put this off until the last minute or you may find it difficult to obtain your permits.

1. If you are renting a unit, a copy of a current lease must be provided at the registration in order for you to obtain a new valid permit.
2. All vehicles eligible for a new permit must show a vehicle registration with your Bermuda Club Community Association address. Please check your registration. If it shows another address, you should get the address changed on your vehicle registration before attempting to obtain a new permit. Exception being, if you are considered to be a "Snowbird" and reside full time in another state.
3. Your current driver's license.

Come to your clubhouse at any of the times provided to your building from the enclosed schedule. To make the line move as swiftly as possible, be sure you have fulfilled the requirements noted.

A virtual guest permit can be obtained by going to our website: [reconparkingmanagement.com](http://reconparkingmanagement.com) Click on the Guest Permit page and fill out the required information. A confirmation will be sent to you when you choose email or text message. The permit is a virtual permit and is only known to the parking enforcement specialist assigned to your property. Therefore no display on the dashboard is needed or a placard from the review mirror. The virtual permit is **only** to be used for guest parking and not to exceed 30 consecutive days
